Attorneys for Appellant

Pursuant to Rule 240, SCACR, Appellant South Carolina Cable Television Association ("SCCTA") moves for an extension of time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal ("Designation of Matter"). Appellant SCCTA respectfully requests an extension of thirty days to file the Initial Brief and Designation of Matter which are currently due on October 17, 2014. The deadline for Appellant's Initial Brief and Designation of Matter has not been extended previously.

The grounds for this motion are that other impending professional matters and obligations have created a need for additional time to prepare the Initial Brief and Designation of Matter. A thirty day delay will not prejudice the rights of any of the parties. We have notified counsel for the parties in the Public Service Commission docket of our intent to file this motion and received no objections. Granting this motion would require the Initial Brief and Designation of Matter to be filed with the Court on November 17, 2014.

For these reasons, SCCTA respectfully requests an extension of the deadline for filing and serving the Initial Brief and Designation of Matter until November 17, 2014.

Dated this 9th day of October, 2014.
